

Warmup (10-20min)

Medal Levels: **Blue 2**- **Red 2** (7-12 yo)

Balls & court can be Red or Orange. Start with everyone mastering Blue 2 skills, but then to make the class easier to run, and keep everyone motivated, teach to the strongest player. The serve for Blue 2 can be hard, but they can practice it anyway. At the end of the session, players will still earn the medal they deserve. Let the Blue 2 player get blue 2. Don't over rate them.

fh & bh then rally

Tap & Hit

This is where the coach should Rally & Rotate in with the kids

Hit & Recover- hit 8, pickup 4
and rotate- 2 lines
(windshield wiper feeds)

This will be a new drill, so take your
time with the kids having them shadow
a few rounds before they start hitting

Game 2 (15-20 min)

-Crazy Tennis Skyball

If they scoop before trying to hit, they lose the point. Feed to the backhand side for challengers. Add in Skyball Countdown where first team to get 3 victories, has to play real tennis, and then the first team to get 5 victories wins, and then everyone has to change partners and you start a new game.

Requirement

Game 2 (25-35 min)

Big Kahuna -
play for time

With Big Kahuna take your time and work on the rules and good habits:

The server has 2 serves and they don't have to start with a real serve for weeks 5 and 6, but can use a drop feed forehand. During week 7 they should use a real serve for the first serve and then they can hit a forehand for the second.

Rules: Pair up the players and your top court is the Big Kahuna court. Your goal is to make it to the top. Players play for time (4-5min). The player with the most points when time is called is the winner. If a tie, then play one tiebreaker point. Player who wins moves up a court. Losing player moves down a court. Play 4 or 5 rounds or more depending how kids are doing.

Good Habits:

1. Spin the Racket to start match
2. Server checks to make sure returner is in ready position before they serve
3. Call the score after every point (server serves 1 point, then the returner)
4. Shake hands at end of match
